The Governing Body is the Admissions Authority of this school and is responsible for determining the school's admissions policy for the academic year 2026-27.

The Governing Body intends to admit up to **22** into the reception year group in **September 2026**.

How and when to apply for places

All applications for school places must be made on Newcastle City Council's school application form and returned to Newcastle City Council (the Local Authority – LA).

Applications for Reception places for September 2026 must be submitted **by midday on 15 January 2026**. Applications for school places in other year groups or after the start of the school year can be submitted at any time.

Late applications

Applications received after the closing date will be classed as late and processed after all of the applications received on time.

Summer born children and the admission of children below compulsory school age including deferred entry and part time admission

The School Admissions Code requires school admission authorities to provide for the admission of all children in the September following their fourth birthday. However, a child is not required to start school until they have reached compulsory school age following their fifth birthday. For summer born children (those born after 1 April) this can sometimes be almost a full school year after the point at which they could first be admitted.

Some parents may feel that their child is not ready to start school in the September following their fourth birthday and the child's parents are **entitled** to:

- defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and
- where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age

If parents wish to exercise the above rights they should discuss this with the Head Teacher as soon as possible to confirm arrangements and specify their choice in writing as follows: -

- their child attends part-time until they reach compulsory school age, or
- that the date their child is admitted to school is deferred until later in the same academic year or until the term in which the child reaches compulsory school age. The school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.
- that the date their child is admitted to school is deferred until the term after the child reaches compulsory school age.

The child must however start school full-time in the term after their fifth birthday.

If parents of summer born children wish to defer entry as outlined above and wish them to be admitted to the Reception Year in the term following their fifth birthday, rather than year 1, then parents should apply at the usual time for a place in September of the current academic year together with a written request that the child is admitted outside of his or her normal age group to the Reception Year in September the following year providing supporting reasons for seeking a place outside of the normal age group.

This should be discussed with the Head Teacher as soon as possible. If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way for a Reception place in the following year.

If their request is refused, the parents must decide whether to wait for any offer of a place in the current academic year (NB it will still be subject to the over-subscription criteria in this policy) or to withdraw their application and apply for a year 1 place the following year. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the previous Reception Year group.

Further information and advice on the admission of summer born children is available from Newcastle City Council School Admissions.

Admission outside normal age group

Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil's interests. It is recommended that parents discuss their wishes with

the head teacher in advance of applying for a place. Parents should apply in the normal way together with a written request that the child is admitted outside of his or her normal age group to the requested year group in September the following year providing supporting reasons for seeking a place outside of the normal age group. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered, then there is no right of appeal.

Special Educational Needs

Children who have an Education, Health and Care Plan which names the school will be admitted to the school.

Admissions to the Reception Year in September 2026

How places will be allocated

If there are enough places at the school then every applicant will be offered a place. If more applications are received than the number of places available, the following oversubscription criteria will be used in the order shown to decide which children will be allocated places.

1. **Children who are currently looked after by a local authority** (in care) in the UK, children who were previously looked after by a local authority in the UK or who appear to the admissions authority to have been in a state care outside of the UK, and immediately afterwards became subject to an adoption, residence (child arrangements) order or special guardianship order. Evidence of the appropriate order must be submitted before the closing date for applications.
2. **Children with a brother or sister (a sibling)** who will be on roll at the school on the date that the child will be admitted in **September 2026**. Sibling can be a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent or carer's partner, as long as the children live at the same address. However, please note that children attending the nursery class or other Early Education or childcare provision attached to the school will not be given priority as sibling links.
3. **Children of parents worshipping at the Parish church of Christ Church or St Anne's or any other Church of England church** *at least monthly over the last twelve months prior to the closing date specified on the form on which the application is submitted.* Applications need to be supported with a letter from a minister of religion.
4. **Children with an exceptional medical reason that means they can only attend the specific school** (for example, where the child or one or both parents has a disability that means that the child can only attend this school). Strong supporting evidence must be provided from a healthcare professional who is independent of both the family and the school. The evidence must relate specifically to this school and must clearly demonstrate why it is the only school that can meet the child's needs.

5. **Children who live in the Parishes of Christ Church or St Anne's** *(a copy of a map showing the parish boundaries is attached to this policy).*
6. **Children of parents worshipping in another Christian church at least monthly** *over the last twelve months prior to the closing date specified on the form on which the application is submitted* who wish their child to attend this school because of its Christian foundation. Applications need to be supported with a letter from a minister of religion. *Christian church means any church which is designated under the Ecumenical Relations Measure nationally by the Archbishops of Canterbury and York or locally by the diocesan bishop, or is a member of Churches Together in England, or the Evangelical Alliance, or a partner church of Affinity*
7. **Other Children**

Tie Breaker

Proximity of the child's home as measured in a straight line distance from a single fixed central point at the school to a point in the centre of the home address of the child, using the Local Land and Property Gazetteer and British National Grid Easting and Northing co-ordinates, with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 7 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place.

Parents and carers should note that the allocation of Reception places does not take into account attendance at any specific nursery class or school. Children in the nursery class of the school will not be given priority nor are they guaranteed a Reception place in the main school.

Additional notes

- In the event that more than one child has an equal right to an available place the place will be offered based on random allocation.
- Parents/carers have two weeks to respond to an offer of a school place. If an acceptance is not received it may be assumed that a place is no longer required and the offer may be withdrawn.
- Parents who share responsibility for the care of their child are expected to reach agreement to a school placement between them. In the event of a dispute the school will accept the application from the parent to whom the child benefit is paid.
- When stating your choice of school, you must give the child's permanent address at the time of application. The address of childminders or other family members who may share in the care of your child must not be quoted as the home address.
- If the child lives at more than one address Monday to Friday, (for example due to a separation) the address used should be where the child lives most of the time. Only one address can be used. If the child lives at two addresses,

Newcastle City Council will decide which address to use based on child benefit, child tax credit, Court Orders and/or GP registration.

Waiting lists

For applications for Reception places, waiting lists will be kept until the 31st December of the admission year and will then be cleared.

Waiting lists will be ranked using the oversubscription criteria regardless of the date the application was received. Each added child will require the list to be ranked again in line with the published oversubscription criteria.

From January and then on a termly basis, waiting lists will be cleared and parents will need to re-apply each term if they still want their child to be considered for a place at the school.

Right of appeal

Parents/carers who are refused a place for their child have a statutory right of appeal to an independent appeals panel. Please contact the School Appeals Team for information (phone 0191 277 7427 or email schoolappeals@newcastle.gov.uk). Information is also available at www.newcastle.gov.uk/admissions

In Year Admissions

Decisions about in year admissions are made by us as a school. However, applications for places, during an academic year, must first be submitted directly to the Admissions Department at Newcastle City Council. Once an application is made via the Admissions Department, it is then forwarded on to us at school. If, when an application is received, a place is available and there is no waiting list, a place will be offered immediately. If an application is received and there is no place available, your child will be placed on a waiting list. If a place becomes available whilst your application is on the waiting list, a group of Governors and the Head Teacher will convene an

'Admissions Meeting' to decide who to allocate the place to. The following information will guide their decision making process:

Places will be offered to applicants ranked highest using the criteria set out below.

1. **Children who are currently looked after by a local authority** (in care) in the UK, children who were previously looked after by a local authority in the UK or who appear to the admissions authority to have been in a state care outside of the UK, and immediately afterwards became subject to an adoption, residence (child arrangements) order or special guardianship order. Evidence of the appropriate order must be submitted before the closing date for applications.
2. **Children with an older brother or sister (a sibling)** in attendance at the school at the date of admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent or carer's partner where the children live at the same address.
3. **Children of parents worshipping Children of parents worshipping at the Parish church of Christ Church or St Anne's or any other Church of England church at least monthly over the last twelve months prior to the closing date specified on the form on which the application is submitted.** Applications need to be supported with a letter from a minister of religion.
4. **Children with a specific medical reason** to go to the school (for example, where the child or one or both parents has a disability that means they can only go to one school). Strong supporting evidence must be provided from a healthcare professional who is independent of both the family and the school. The evidence must relate specifically to this school and must clearly demonstrate why it is the only school that can meet the child's needs. This evidence must be submitted with the application. If the required evidence is not provided, the school will be unable to consider giving the child higher priority.
5. **Children who live in the Parishes of Christ Church or St Anne's.**
6. **Children of parents worshipping in another Christian church at least monthly over the last twelve months prior to the closing date specified on the form on which the application is submitted** who wish their child to attend this school because of its Christian foundation. Applications need to be supported with a letter from a minister of religion. *Christian church means any church which is designated under the Ecumenical Relations Measure nationally by the Archbishops of Canterbury and York or locally by the diocesan bishop, or is a member of Churches Together in England, or the Evangelical Alliance, or a partner church of Affinity.*
7. **Children living nearest to the school** by measurement in a straight line distance from a single fixed central point at the school to a point in the centre of the home address of

the child, using the Local Land and Property Gazetteer and British National Grid Easting and Northing co-ordinates.

In the event that more than one child has an equal right to an available place, the place will be offered based on random allocation.

Parents have two weeks to return acceptance for an offer of a school place. If an acceptance is not received it may be assumed that a place is no longer required.
