Dear Parents and Governors

This term has been very busy for both staff and children. We had a successful SEND review this week and are presently working towards achieving an EAL award for our provision for children with English as an additional language and the School of Sanctuary Award which will recognise our commitment to creating a culture of welcome to all. Thank you for your support and contribution; I know parents who contributed to the SEND review were very positive.

We are increasing our visits and workshops this term. Unfortunately, we cannot take every child everywhere. Some visits are funded externally and come with set eligibility criteria. However, **all** children will have had an enrichment activity by the end of the summer term.

Early Years loved their visit from the fire engine this morning.
