## SNOW WHITE AND THE 7 SUPERSTARS

### EVIE THE EXTRORDINAIRE

PLAYER OF THE MATCH, EVIE, CAUGHT THE EYE NOT ONLY OF THE CROWD BUT ALSO A LOCAL FOOTBALL SCOUT.

After such a fantastic performance she was hunted down and asked to consider playing more often.

“It is definitely something Evie should take on as she has been our best player all season!” declared Mr Harland.

### COLLEDGE'S CORNER

“Today’s team really impressed with their effort and work rate. Our football ability and team work has improved week on week and we fully deserved such good results” beamed Mr Colledge in the press room afterwards.

### ESFA SCHOOLS TOURNAMENT

CHRIST CHURCH SAVED THEIR BEST PERFORMANCE FOR LAST NIGHT AS THEY BATTLED IT OUT AT GOSFORTH ACADEMY AGAINST WEST WALKER AND NSB

In what some might have described as a shaky start to the season, Christ Church proved what they are capable of on an incredibly windy evening in the west of Newcastle.

Pasha, who had the honour of captaining The Church for the first time, was a rock in defence and let nothing get past him all night. Abdulrahman (who is fast becoming a goalkeeping legend) was solid all night and Noel enjoyed a return to good form in what was a night to remember for all of the players.

It is important that Christ Church build on the momentum gained tonight; all of the hard work put in so far this season seems to be paying off. Can they keep it going? Only time will tell...
